

## West Virginia MMIS Re-procurement

In an effort to provide *accurate* information for all vendors regarding the West Virginia's MMIS Re-procurement, the Bureau for Medical Services (BMS) has established this re-procurement website.

BMS fully intends to conduct a fair and *competitive* procurement. To that end, no spending unit personnel may have any communication concerning the particular solicitation, bid, evaluation or award with any vendor during the solicitation, bid evaluation or award periods.

BMS appreciates your *continued* interest in the re-procurement process as key decisions related to the future MMIS system(s) are made. As additional information becomes available it will be posted to this re-procurement website.
