WV State Systemic Improvement Plan (SSIP)
Quarterly Report for Spring 2017
IFSP Implementation Team

Overview

The IFSP Team is charged with supporting the successful implementation of an IFSP process that supports the child's participation within the daily activities and routines of the family and supports on-going team collaboration and communication.

Activity	Progress	Next Steps
Providing input into the revisions of the IFSP document.	<ul style="list-style-type: none"> The IFSP Implementation Team has coordinated a process for a variety of stakeholders to provide input into the revisions for the IFSP including: WVEIICC, RAU Directors, Interim Service Coordinators, On-Going Service Coordinators and Practitioners. 	<ul style="list-style-type: none"> Suggestions are being considered as implementation team works on final draft. Revised IFSP will be implemented on October 1, 2017.
Assisting in the design of the IFSP Practice Profile (what it looks like and does not look like).	<ul style="list-style-type: none"> The IFSP Implementation Team has researched the use of Practice Profiles. A Practice Profile for "Integrating the COSF into the IFSP Process" is in final draft. 	<ul style="list-style-type: none"> The IFSP Practice Profiles will be utilized in the IFSP training. The practice profiles will be used to create a self-assessment checklist for providers.
Providing recommendations for the training curriculum and Community of Practice on IFSP.	<ul style="list-style-type: none"> The IFSP Implementation Team is recruiting individuals to assist with recommendations for the training curriculum and Community of Practice. 	<ul style="list-style-type: none"> The IFSP Implementation Team will reconvene in July.
