3rd Annual Breast Cancer Conference

August 11, 2017

Erickson Alumni Center
One Alumni Drive
Morgantown, WV

This FREE continuing education event is for physicians, physician assistants, nurses, and other health care providers interested in breast cancer care. The symposium will include lectures on topics including multidisciplinary management and supportive care of breast cancer, treatment development updates, health communications, genetic panel testing, fertility preservation, brain metastasis, and issues for people living with metastatic breast cancer.
