### Continuing Education

**Nurses:** West Virginia University Hospitals will provide 4.8 contact hours to those who attend and complete all activities. West Virginia University Hospitals is an approved provider of continuing nursing education by the West Virginia Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.  
#PO05-08-0270

**Physicians:** This activity has been planned and implemented in accordance with the Essentials and Standards of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the WVU School of Medicine Office and the WVBCCSP. The WVU School of Medicine is accredited by the ACCME to provide continuing medical education for physicians. The WVU Office of CME designates this educational activity for a maximum of 5 AMA PRA Category 1 credit(s) TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This publication was supported by cooperative agreement number DP07-703 from the Centers for Disease Control & Prevention.

**Target Audience:**  
WVBCCSP Providers

Sponsored in part by  
WVU School of Medicine,  
Office of CME

**For More Information**  
**Call: 304-293-2370**

## **Objectives**

As a result of this program the participant should be able to:

- Identify federal policy changes related to CPT coding.
- Assess the impact of ASCCP guidelines on the WV Breast and Cervical Cancer Diagnostic and Treatment Fund.
- Examine the impact of federal WISEWOMAN funding on WVBCCSP healthcare providers.
- Explain utilization data and their role in maximizing Program use.
- Formulate cervical clinical protocol for WVBCCSP enrolled women, including recommended pap test frequency, follow-up to abnormal tests, and documentation requirements.
- Formulate breast clinical protocol for WVBCCSP enrolled women, including follow-up to clinical breast examinations and documentation of examinations and follow-up.
- Identify at least two purposes for maintaining a WVBCCSP tracking log.
- Identify the risk factors and symptoms of ovarian cancer.
- Illustrate how to discuss ovarian cancer with patients/clients.
- Identify ways to reduce your risk of developing ovarian cancer.
