DISCUSSED	KEY POINTS	KEY DECISIONS MADE
	Participants reviewed the final County Plan Document and Guidance Documents.	No key decisions made. Plan seems to be working well in the counties represented.
	Participants provided updates as to progress on county plan development in the communities represented.	No key decisions made. Areas of concern continue to be the involvement of child care at the planning table and understanding and accessing school aid funding formula monies.
	Participants discussed future directions for the Collaboration Committee.	<p>The committee discussed the need to develop a review form and process for the County Plans once they are submitted to DHHR and DOE. This will be the main agenda item for the next meeting in order to develop recommendations to be submitted to the Steering Team/PIECES Advisory.</p> <p>Future agenda items include:</p> <ul style="list-style-type: none"> *Review strengths and weaknesses of the County Plans once submitted * Review the original County Plan Format for future "versions" * Develop formats for providing feedback on County Plans. * Discuss long term tracking procedures and formats to inform and validate the success of WV Pre-k
