DATE: JANUARY 1, 2002 TO: ALL INCOME MAINTENANCE MANUAL HOLDERS					

This change is being made to update the Long Term Care addendum to the OFS-2.

The 2nd bullet under the heading "Estate Recovery" is being removed at the request of BMS because it is confusing to clients.

Upon receipt of the initial supply, the old form is no longer valid and all copies must be destroyed.

Questions should be submitted to the OFS Policy Unit.
