This change is being made to Chapters 1, 4 and 7 to add the following:

- ◆ Policy for applications submitted online by inROADS
- ◆ Policy for the use of an electronic or E-signature and verification of identity for Medicaid for Children and Pregnant Women and for WV CHIP when the application is submitted by inROADS from a Community Partner organization that has entered into an agreement with DHHR.

In addition, form designations and other terminology were updated.

Changes were also made in Chapter 7 to reflect the July 1, 2005 change for the WV CHIP call center from Automated Health Services (AHS) to Calls Plus. The phone number remains the same.

Section 19.8: Changes were made to update the participating phone companies and Verizon's enhanced Tel-Assistance plan.

Policy questions should be address to the DFA Economic Services Unit.

RAPIDS questions should be addressed to the RAPIDS Help Desk.
