This change was made to correct interview requirements and certification periods for the Food Stamp Program.

Section 1.4, N

Changes were made to AG's certified for 24 months to include AG's in which all adults are at least age 60 and/or disabled with no earned income or only excluded earned income. This includes AG's with individuals under age 18 as long as all adults are elderly and/or disabled.

No changes were made to FS AG's with countable earned income.

Sections 1.4,D, G and S and Section 2.2,B,4

Changes were made to allow telephone interviews for all AG's which qualify for a 24-month certification period.

All AG's which qualify for a 6-month certification period must complete a face-to-face interview unless they meet a hardship provision in Section 1.4,D.

Any applicant who is not required to complete a face-to-face interview must be given one, if he requests it.

Questions should be directed to the DFA Economic Services Policy Unit.
