This change is being made to Section 10.3,QQQ regarding the treatment of certain SSI lump sum payments.

SSI lump sums received in certain situations are excluded. Any AG which was denied benefits or received a decreased amount of benefits as a result of counting an SSI lump sum which should have been excluded under the new policy "Exceptions for Lump Sum Payments" must have benefits restored upon discovery at the next application, redetermination or contact. See Section 2.2,E for instructions for restored benefits.

RAPIDS instructions will be issued separately.

Policy questions should be directed to the OFS Policy Unit.

RAPIDS questions should be addressed to the RAPIDS Help Desk.
