

HOME AND COMMUNITY BASED WAIVER (HCB)

17.25 ASSETS

The determination of countable assets is the same as for SSI-Related Medicaid. See Chapter 11. The SSI-Related Medicaid asset limit for one person is used. For transfers of resources see Sections 17.9 and 17.10. See Section 17.10 for the spousal assessment of assets. Both apply to HCB applicants.

NOTE: The Worker, Supervisor and/or agency Hearing Representative are involved in any Fair Hearing for the HCB Program only when the reason for the adverse action was the determination of financial ineligibility.
