This change is being made to alert staff that certain recipients of the Division of Children and Adult Services (CAS) programs are eligible for Special Pharmacy. This medical coverage is issued through FACTS (Family and Children's Tracking System).

Procedures have been added for Workers to follow when it is determined an applicant/client is dually eligible for medical coverage from Special Pharmacy and CAS. These procedures will ensure the appropriate division (CAS) pays for the medical services and will assist providers in proper billing. The new procedures are outlined in Section 16.1, items A and B.

Questions should be directed to the DFA Economic Services Policy Unit.

RAPIDS questions should be directed to the RAPIDS Help Desk.
