

**24.12 PROVIDING CHILD CARE FOR A COMMUNITY SERVICE PARTICIPANT (CC)**

Providing child care services without payment to an individual who is participating in a community service program means providing child care to enable another TANF/WV WORKS recipient to participate in a community service program. Participants must be supervised daily.

**Participants in this component must be working closely with a Child Care Agency to obtain certification to become a certified West Virginia Child Care Provider. This certification should be obtained within 6 months. The Child Care Agency must supervise the participant's activity on a daily basis and submit the DFA-TS-12 timesheet each month.**

**In addition to the timesheet provided by the Child Care Agency, the Child Care Provider must also submit a timesheet each month. Parents for whom the Child Care Provider is working must sign this timesheet each day that care is provided for their child. The Case Manager may use information on this timesheet to check against the timesheets being provided by the Community Service Agencies for which the parents are working. This will ensure that the information being reported is complete and correct.**

**NOTE:** This activity does not include providing child care to enable a TANF/WV WORKS recipient to participate in any of the other allowable work activities.

**NOTE:** In a two-parent family, or in a family with a parent and step-parent, one parent or step-parent cannot count as participating in a work activity by providing child care for his or her own child or step-child while the other parent or step-parent participates in Community Service.

## 24.13 NON-CORE WORK ACTIVITIES

Following are the remaining three allowable work activities in which participation hours are allowed as long as the minimum hours of participation are met in one or more of the nine core activities.

Unsupervised homework time may not be counted as participation hours under any of the 3 activities listed below. However, structured programs which include monitored study hours may count if the hours of participation can be documented.

**NOTE:** If the participant is under the age of 20 and does not have a high school diploma or its equivalent, the requirement to participate in educational activities must be included in the Personal Responsibility Contract. The three activities listed below, although they do not meet the Federal definition of Core Work Activities, are acceptable full-time activities for WV WORKS participants under State Law. See Section 24.5,A,2, "Under WV State Law", regarding full-time attendance and satisfactory progress requirements.
