This change was only made to add a required monitoring tool for Title II of the Americans with Disabilities Act (ADA ) and Section 504 of the Rehabilitation Act of 1973. A new Work Programs Component (AD) was created for compliance with this requirement. Use of this code for any Work-Eligible Individual with a documented disability is mandatory.

Individuals with disabilities must be treated on a case-by-case basis and given the same opportunities and access to programs and referrals as individuals who do not have a disability.

Policy questions should be directed to the DFA Family Support Policy Unit.  
RAPIDS questions should be directed to the RAPIDS Help Desk.
