This change was made to implement the Food Stamp Program annual update of the income limits and maximum coupon allotments found in Chapter 10, Appendix A, the shelter/utility cap, standard deduction and Standard Utility Allowance (SUA) found in Appendix B and the Basis of Issuance chart found in Appendix C. Two copies of Chapter 10, Appendix C, Basis of Issuance charts will be mailed to each local office. This change also updates the LIEAP Program income limits in Appendix A.

Additional values for AG's up to 24 persons may be found in the appropriate RAPIDS reference table. A list of these tables is in Appendix J of the RAPIDS User Guide.

RAPIDS will run a mass change for all active Food Stamp AG's on Friday, September 7, 2007, effective for the October 2007 allotments.

In addition, the update of FS income limits increases the gross income reporting limits for those AG's subject to Simplified Reporting requirements. All of these FS AG's will be notified of the new 130% FPL amount whether or not their allotment changes.

A correction was made to Appendix E, PAC Eligibility Method 2 chart. The amount for 1/91 thru 2/91 was corrected.

Policy questions should be addressed to the DFA Economic Services Policy Unit.

RAPIDS questions should be addressed to the RAPIDS Help Desk.
