

5.4 PENALTY FOR FAILURE TO APPLY FOR OR RETAIN BENEFITS WITHOUT GOOD CAUSE

The penalties apply only when development and retention are a condition of eligibility. See Section 5.2.

The penalty imposed depends upon the source of the potential resource and who fails to meet the requirement, as follows.

NOTE: For WV WORKS benefits, a client who fails, without good cause, to develop and retain potential resources as identified in the PRC, has failed to adhere to the terms of his PRC. The penalties below are not applied to WV WORKS benefits, but failure to comply may affect Medicaid. For WV WORKS **applications, failure to comply with the work participation requirements outlined on the PRC without good cause may result in the household being ineligible. For on-going cases, failure to comply without good cause will result in a sanction being imposed.**

A. ENROLLMENT IN MEDICARE, PART A AND PART B (Medicaid Only)

All applicants for and recipients of Medicaid, who qualify for Medicare Buy-In, must enroll in Medicare, Parts A and B, unless an exemption to enrollment is met. Exemptions include, but are not limited to, no established record of birth or the individual has other creditable health insurance and will be disadvantaged by Medicare enrollment. See Section 5.6,A,5 for Medicare eligibility requirements. See Section 22.2 for Medicaid coverage groups subject to Department buy-in.

Failure, without an exemption, to enroll in Medicare for the above specified Medicaid applicants and recipients, results in denial of Medicaid or exclusion from the Medicaid AG. When the individual is the only Medicaid AG member, Medicaid is closed. The individual remains ineligible until he enrolls.

For SSI recipients not Medicare-enrolled, but who appear eligible, **see** Section 5.6,A,5,f.

Individuals who meet all other QMB, SLIMB and QI-1 eligibility requirements, but who are not yet enrolled in Part B, must be referred to the BMS Medicare Buy-In Unit by sending an e-mail to medbuyin@wvdhhr.org. The message must contain the applicant's name, address, date of birth and Social Security number. The Buy-In Unit contacts Social Security to facilitate enrollment. This avoids any late enrollment penalty which may apply to the individual and permits enrollment outside the yearly open enrollment period.
