This change was made to notify Workers of a change in performing financial calculations for WV CHIP and WV CHIP Expansion and to relocate misplaced text for determining good cause for non-cooperation with BSCE.

Section: 7.14: RAPIDS will automatically perform financial calculations for both WV CHIP and WV CHIP Expansion. The data system will apply the appropriate gross and net tests to the IG and send notification letters with budget calculations based on the case's coding, to applicants. After 3/1/09, RAPIDS permanent procedure, PRD-30, will be updated and Workers can refer to it for additional information.

RAPIDS will release a document to staff with details of the changes.

Section 15.3: Text regarding the procedure for determining good cause for non-cooperation with BCSE was moved from Section 15.3,5 to the correct location, Section 15.3,4.

Policy questions should be directed to the DFA Economic Services Policy Unit.

RAPIDS questions should be directed to the RAPIDS Help Desk.
