This change was made to make a minor change regarding the WV WORKS TF component, to clarify calculation of weekly average participation hour, and receipt of transportation stipends from other sources.

Section 13:10: Removed mandatory requirement to place in TF component if participant volunteers to participate.

Section 24.3: Removed working “one-time only” from 12 months lifetime exemption for single parent with child under age of 1 year. Calculation of weekly average hours was clarified. Removed reference to DFA-DRA-2.

Section 24.14: Added language that prepayment of transportation must be deducted from subsequent payments. Transportation stipend payments received from another source must be counted towards transportation support service payment requests. Requests for transportation payments made more than 3 months past the month of participation are ineligible.

Policy questions should be directed to the DFA Family Support Policy Unit. RAPIDS questions should be directed to the RAPIDS Help Desk.
