

2.9 PREGNANT WOMEN GROUP**A. CHANGE IN THE AG**

The newborn is added to his mother's case with his own MN AG.

The pregnant woman is removed from the AG at the end of 60-day postpartum period. See Chapter 16.

B. CHANGE IN INCOME AND/OR DEDUCTIONS

Once eligibility is established, the Poverty-Level pregnant woman's Medicaid eligibility continues, without regard to any change in family income, through the end of the month in which the 60 day post-partum period ends. See Chapter 16.

NOTE: If a woman indicates at application that she is pregnant, she is not eligible to be included in the Adult Group; she must be evaluated for the Pregnant Women coverage group.

NOTE: In no instance is Medicaid coverage under one coverage group to be stopped without consideration of Medicaid eligibility under all over coverage groups.
