

2.9 PREGNANT WOMEN GROUP

A. CHANGE IN THE AG

The newborn is added to his mother's case with his own MN AG.

The pregnant woman is removed from the AG at the end of 60-day postpartum period. See Chapter 16.

B. CHANGE IN INCOME

Once eligibility is established, the pregnant woman's Medicaid eligibility continues, without regard to any change in family income, through the end of the month in which the 60 day post-partum period ends. See Chapter 16.

NOTE: In no instance is Medicaid coverage under one coverage group to be stopped without consideration of Medicaid eligibility under all over coverage groups.
