

10.6 GENERAL INCOME INFORMATION FOR MEDICAID COVERAGE GROUPS

The following sections contain income information about most Medicaid coverage groups. **AD** TBI and I/DD Waiver cases are included in Chapter 17, along with information about individuals receiving nursing home and ICF/MR services. Also not found in the following sections, is income information about children who receive Adoption Assistance or Foster Care payments. These cases are the responsibility of the Office of Social Services.

A. UNCOMPENSATED TRANSFERS OF INCOME

When any Medicaid recipient is receiving nursing home or ICF/MR services or is a member of an **AD**, TBI or I/DD Waiver AG (See Chapter 17), a penalty may be applied for an uncompensated transfer of resources, including income or a stream of income. The policy and procedures related to this process are explained in Chapter 17.

The policy applies only to uncompensated transfers which occurred on or after 8/11/93.

B. BUDGETING METHOD

NOTE: Treatment of the income of persons employed under an annual contract and of migrant farm workers with seasonal employment requires special instructions. Consult the Table of Contents for Special Situations for each Medicaid coverage group, for those employed under an annual contract. The SNAP requirements of migrant farm workers have no bearing on any Medicaid coverage group.

Unless information to the contrary is shown in the remaining sections of this Chapter, the following method is used to determine income for the certification period or period of consideration (POC).
