SUPPLEMENT TO APPLICATION FOR NEMT REIMBURSEMENT PROGRAM

This supplemental sheet is used with the DFA-NEMT-1 and contains space for 3 additional trips for a total of 4 per application. Application must be received by DHHR **within 60 days of the date of the first trip**.

IMPORTANT: Payment will be made to the person or company named on each verification form. If you provide your own transportation, you must enter your own name and address in this section as the Driver. If the wrong name and/or address is entered, duplicate payment will not be made. Payment cannot be processed unless the Driver's SSN or tax ID number is entered.

Mileage is reimbursed at the current state mileage reimbursement rate for the shortest round-trip route from the patient's home to the medical facility or physician's office. Lodging must be pre-approved for the most economical rate and must be verified as necessary due to the length of travel, time of appointment, and/or length of treatment. Meals are reimbursed only when lodging has been approved. Additional reimbursement may be made for tolls and parking, as appropriate.
