

The word "RESOURCES" is written in large, white, 3D-style capital letters. It is centered and surrounded by a vibrant, abstract collage of colorful geometric shapes (squares and rectangles) in shades of blue, green, yellow, orange, pink, and purple. Some of these shapes have dashed outlines, giving the graphic a layered, digital, or puzzle-like appearance.

RESOURCES

Autism Spectrum Disorders Resources for
Practitioners and Parents

Presented to WV Birth to Three

Autism Community of Practice

February 25, 2022

Jessica R. Dempsey, M.A., BCBA

Technical Assistance Specialist- Regions 3 & 4

Evidence Based Practice

- [EBP Report 2020](#)
 - Investigates which interventions have evidence of positive effects with those with ASD
 - Separates comprehensive treatment models from focused intervention practices
 - Table 3.1 on page 28 breaks down what is currently recognized as EBP
 - Table 3.2 on page 31 lists focused intervention practices with some evidence
 - Appendix 3 separates each EBP into fact sheets
