\*Assistance available to those who qualify

Covid-19 has altered life for everyone. During this time of uncertainty, we at MountainHeart Community Services, Inc. know how drastically life has changed. Many have been directly affected by this pandemic by loss of employment, leaving families unable to buy basic needs, such as food and paying utilities. Through our CSBG CARES Emergency Assistance Program, we are able to assist\* those who qualify with the following:

- Utilities
- Vocational Training
- Rent/Mortgage
- Gas Cards
- Food Voucher

\*Applicant must complete an application and intake forms before being considered for financial assistance and be at 200% or below the poverty guidelines. Please be advised that financial assistance decisions are determined on a case-by-case basis with consideration given to the
