Subject: August Autism Practice Group Topic- Entry Into School!

To:

Dear Practitioners and Service Coordinators,

Are your families ready for back to school!? It's OK if they're not. It can be a very intimidating process. Our Autism Practice Group for August will be centered around the transition period into the school system. We'll share strategies that may help and provide support through this time, as it can be very overwhelming.

Join Cindy LeGrand, SLP, BCBA and Jessica Dempsey, BCBA on Friday, August 26th from 12pm-1pm.
