Subject: <b>Updates from Go to Training<b>  
To:

**Dear WV Birth to Three Practitioners and Service Coordinators,**

Please note the following information from Go to Training.

**Starting November 26, 2022, Go to Training will no longer support Internet Explorer.**

**To join trainings from a browser after this date, please use Edge, Chrome, or Firefox.**

To learn more about the Go to Training System requirements, visit this link:

<https://support.goto.com/training/help/goto-training-system-requirements-for-attendees>.

This is a good reminder to all to make sure we have updated our computers recently and refreshed our browser(s) so we have the most current web links.

Wishing you a wonderful Thanksgiving!

The WV Birth to Three Professional Development Team
