

The **Child Abuse, Prevention and Treatment Act (CAPTA)** requires each state child welfare system to develop policies and procedures for referral of a child under the age of three who is involved in substantiated abuse or neglect to Part C early intervention.

The **WV Birth to Three State Staff**, in collaboration with the **Regional Administrative Units**, are conducting CAPTA presentations across the state for you to learn more about this very important legislation, the referral process from Child Protective Services to WV Birth to Three, and the effects of maltreatment on infants and toddlers.

For information on dates, times and locations, contact your Regional Technical Assistance Specialist.
