MARCH 14, 2020

FREE FAMILY

WORKSHOP

Open to Families of WV Children who are Deaf or Hard of Hearing Children

Would you like the opportunity to better understand hearing loss and how it affects your child and their education? Melanie Ashworth, Doctor of Audiology at the WV School for the Deaf and Blind will be joining us and sharing her years of experience working with children who are deaf and hard of hearing.

Meet other families. Learn from the experts. Make connections.

There will be activities for the whole family. While parents attend the workshop, childcare will be provided by the WV School for the Deaf Outreach team.

Refreshments will be served to those in attendance. If you are unable to attend in person, you can participate online through Zoom. Contact us for more details.

You can register online at www.wvhandsandvoices.org
