In 2012, West Virginia Birth to Three (WVBTT) will mark twenty years of supporting children and families in the area of early childhood development. This is an exciting milestone for our program and we are asking for your help!

WVBTT is putting together a slide show of memories across the years. We would like photos of children and families who have received services—showing the fun things that kids and families do together. If you happen to have ‘then’ and ‘now’ photos, we could use those too! It would be great to see how the ‘little ones’ have grown! Don’t forget to include name, age and any other comments with your photos.

WVBTT would also like to include photos from our providers, service coordinators and others who have worked with BTT over the years so please help us get the word out.

Photo(s) and releases may be sent by email to Belinda L. Hammack at Belinda.L.Hammack@wv.gov, or by hard copy to:
Belinda Hammack at Early Childhood Lending Library,
350 Capitol Street, Room 427, Charleston, WV 25301.

A Photo Release Form is attached for you to use.
A photo release form must accompany all photos. If a photo release is not attached with this notice, you may find one at www.wvdhhr.org/birth23/20yrphotorelease
