

Practitioner Recruitment

"The daily challenges are very difficult to do alone, but with WV Birth to Three services it makes life easier..."

Marci Osburn - WVBTT Parent

When a family experiences the birth of a child with a disability or becomes concerned about their child's development, they may look for support from important people in their lives. Sometimes families want more information from professionals who understand child development and have knowledge about their child's disability. West Virginia Birth to Three can provide that support.

West Virginia Birth to Three seeks service coordinators and service practitioners whose primary role is to partner with and coach family members and caregivers in meeting children's needs.

SERVICE COORDINATOR

- Link families to needed financial resources
- Help the family coordinate and evaluate their service needs
- Help the family and child's support team to communicate and stay in touch

REQUIRED SKILLS:

- Bachelors degree in a human service field or in another closely related field with early childhood training
- Parents of children who received early intervention services
- Must meet entry level standards
- Must enroll under a service coordination agency

SERVICE PRACTITIONER

- Background in early childhood education, preschool special education, social work, nutrition, physical therapy, counseling, nursing, occupational therapy, speech pathology, psychology, orientation and mobility, vision, deaf education, health care, or audiology
- May enroll in the system independently or through a practitioner agency

REQUIRED SKILLS:

- Must meet licensing and education requirements for your discipline
- Must meet entry level standards

Please review the WV Birth to Three Personnel Guide for details of qualifications at www.wvdhhr.org/birth23

For more information about enrolling with WV Birth to Three as a service coordinator or as a service practitioner visit www.wvdhhr.org/birth23 or call **1-800-642-8522**.

WV Birth to Three services and supports are provided under Part C of the Individuals with Disabilities Education Act (IDEA) and administered through the Office of Maternal, Child and Family Health, WV Department of Health and Human Resources
