2021 Ohio County Partners in Prevention Virtual Conference

DECEMBER 8, 2021 8:00-5:00PM

Featuring a two-hour keynote from Robert Sege, MD, PhD

Professor of Medicine at Tufts University School of Medicine

HOPE - Healthy Outcomes from Positive Experiences

You've learned about Adverse Childhood Experiences (ACES). Now you'll build upon that knowledge to learn about the importance of positive childhood experiences, the research showing their mitigating effects on ACEs, the biologic basis for these effects, the four building blocks of HOPE. and how to incorporate the HOPE Framework into practice.

Additional session topics include:

**Advocating for children in foster care, Diversity and inclusion in Appalachia,
Understanding and Implementing Plans of Safe Care and more!**

\$25 per person, Registration opens October 25th, CEUs pending
