RSVP for this free webinar by visiting the event page, using the link above.

Stepping Out: Family Outings with Young Children with Autism

OCTOBER 16, 2019, 11:00 AM - 12:30 PM EASTERN

ABOUT THIS WEBINAR:

Many families of young children with autism and related disorders have difficulties during outings to parks, libraries, appointments, and more. This webinar will present ways professionals can help families develop strategies to prevent and address concerns during their outings. Common safety and social concerns and strategies that can be used to support families in preventing and addressing these concerns will be discussed. Recommended practices for building family capacity and confidence will also be covered.

PRESENTERS:

Dr. Katie Wolfe is an assistant professor of Early Childhood Special Education at the University of South Carolina in the Department of Educational Studies.

Dr. Hedda Meadan is an Associate Professor at the Department of Special Education at the University of Illinois, a Goldstick Family Scholar, and a Board Certified Behavior Analyst.
