2nd Annual Enrollment Update for All Service Coordinators	Before the second annual due date, obtain 36 contact hours related to WV Birth to Three core competencies.	Before the second annual due date, obtain 36 contact hours related to WV Birth to Three core competencies.
Ongoing Enrollment Updates for All Service Coordinators	Each year after the 2 nd annual update, obtain 21 contact hours related to WV Birth to Three core competencies.	Each year after the 2 nd annual update, obtain 21 contact hours related to WV Birth to Three core competencies.

Contact hours related to the WV Birth to Three core competency areas are acceptable if issued through any of the following organizations: Accredited Institutions of Higher Education (a credit hour will equal 10 contact hours); State or National Professional Associations; WV Department of Education; WV STARS; WV Birth to Three; or the WV Department for Health and Human Resources. Contact hours are only valid if training/coursework was attended during the relevant annual period of enrollment. Individuals, who present coursework and/or training sessions as referenced above, may count credit for one presentation of a particular course/training annually.

It will be each individual service coordinator's responsibility to complete the "Documentation of Annual Professional Development Hours" to be submitted with the required annual enrollment update packet. The following supporting documentation of training attendance must be maintained by the individual practitioner and made available for audit:

- A. Course description and/or agenda
- B. Number of hours in attendance
- C. Certificate of attendance, or verification from presenter

Knowingly falsifying records **will** result in disciplinary action including possible dis-enrollment from the WV Birth to Three System.

Any questions concerning these or other enrollment requirements may be forwarded to the HELP desk at CSC, or to the appropriate WV Birth to Three Regional Technical Assistance Specialist (see website for listing).

WV Birth to Three reserves the right to require specific training when the WV Birth to Three System, through continuous quality assurance and monitoring activities, identifies areas for improvement within the system or when Federal or State regulation changes require additional training.
