Although it's a simple concept in theory, it's something we very often overlook especially when we are juggling so much in our personal and professional lives. Self-care means different things to different people, and we know that what works for one person may not work for another.</p> <p>This is the third in four-part series where we will take time to pause from our busy schedules to learn of ways to promote our self-care as we support families of children in WV Birth to Three. Using polls and discussion, we will reflect on what we do now and hear from our peer's new activities, resources, and ideas that we might want to include in our self-care activities in the future. And most importantly, support each other as colleagues and friends as we learn and grow together.</p> <p>This month's session will focus on mental self-care.</p> <p><b>GoToTraining Registration link -</b> <a href="https://attendeegototraining.com/r/8909693879767077122">https://attendeegototraining.com/r/8909693879767077122</a></p>	<p>Professionalism &amp; Leadership</p> <p><b>TIER</b> – Basic</p>	<p><b>Reflection</b> Self-awareness</p>
