

TRANSITION PROCEDURES FROM PART C TO PART B UNDER THE INDIVIDUALS WITH DISABILITIES EDUCATION ACT (IDEA)

(The procedures identified in this template are written to meet the minimum requirements for transition of children from Part C to Part B of the Individuals with Disabilities Education Act. Parties to the agreement are encouraged to modify the template by adding procedures to facilitate additional local information sharing needs. The transition procedures will become part of the approved interagency agreement for WV Birth to Three Regional Administrative Units and County Boards of Education)

The following procedures are designed to support collaboration between the WV Birth to Three Region 6 Regional Administrative Unit and the Summers County Board of Education in the provision of services to ensure that children and families experience a smooth transition from Part C early intervention to Part B preschool services under the Individuals with Disabilities Education Act (IDEA). These procedures support a specific component of the larger interagency agreement among the WV Birth to Three Regional Administrative Unit, County Boards of Education, Head Start Grantees, child care, and other appropriate community partners.

The purpose of this set of procedures is to ensure that families and representatives of all local participating agencies are knowledgeable of the respective requirements, roles and responsibilities for assuring smooth, seamless transitions for children and families as required under IDEA. IDEA addresses the required activities to be conducted during the face-to-face transition planning meeting, as well as various timelines and procedures for local Part C early intervention and Part B preschool special education.

Similar procedures shall be developed with other early childhood partners in order to implement components of the overarching interagency agreement. For WV Birth to Three, Part C, procedures will be put in place with all appropriate representatives to ensure the smooth transition of ALL children exiting WV Birth to Three regardless of their age or eligibility under IDEA.
