Date	<input type="text"/>	County	<input type="text"/>	Area Assigned	<input type="text"/>
Name	<input type="text"/>			Agency	<input type="text"/>
Phone	<input type="text"/>			Hours Worked	<input type="text"/>
Name	<input type="text"/>			Agency	<input type="text"/>
Phone	<input type="text"/>			Hours Worked	<input type="text"/>
Beginning Odometer	<input type="text"/>	Ending Odometer	<input type="text"/>	Total Miles	<input type="text"/>
Baits Received	<input type="text"/>	Baits Used	<input type="text"/>	Baits Returned	<input type="text"/>

The amount of baits received for this area is calculated at 75 baits/km². **USE ONLY THE AMOUNT INTENDED FOR THIS AREA.** If the amount of baits calculated for the area is too much because of **non-habitat**, make a note in the spaces below and the amount of baits for this area will be reduced for the next baiting. If you have any extra bait, return it to the county coordinator. **DO NOT TRANSFER BAITS TO OTHER AREAS.**

Comments:

PLEASE FILL IN ALL AREAS – MAIL OR FAX TO IDEP WHEN COMPLETED
