

# WANTED

## FOR RABIES TESTING

If you see a raccoon, skunk, fox, or coyote:

Attacking people or animals;  
Out in the open during daylight hours;  
Acting “drunk” or “strange”;  
Sick or injured; or  
Roadkill.

Please Contact:

*(Citizens should not attempt to collect a surveillance animal!)*

Healthy trapped nuisance or furbearer raccoons do not need to be tested.
