

**MONONGALIA COUNTY HEALTH DEPARTMENT
LOCAL REGULATION**

TITLE

This Regulation shall be known as the Monongalia County Clean Indoor Air Regulation.

FINDINGS AND PURPOSE

The United States Surgeon General has determined that involuntary inhalation of tobacco smoke is (a) a cause of numerous diseases in healthy nonsmokers; and (b) is a major contributor to indoor air pollution; and (c) that children, elderly people, individuals with cardiovascular and/or respiratory disease are at special risk.

Accordingly, the purposes of this Regulation are (1) to protect the public health and welfare by prohibiting smoking in enclosed public places except in designated smoking areas, and by regulating smoking in places of employment (2) recognize that where the need to breathe smoke-free air conflicts with the desire to smoke, the need to breathe smoke-free air shall have priority.

DEFINITIONS

The following words and phrases, whenever used in this Regulation, shall be construed as defined in this section:

- A. "Bar" means an area which is primarily devoted to the serving of alcoholic beverages for consumption by guests on the premises and in which the serving of food is only incidental to the consumption of such beverages. Although a restaurant may contain a bar, the term "bar" shall not include the restaurant dining area.
- B. "Business" means any entity formed for profit-making purposes.
- C. "Dining Area" means any enclosed area containing a counter or tables upon which meals are served.
- D. "Employee" means any person employed for direct and indirect monetary wages or anything of value, or any person who volunteers for a non-profit entity.
- E. "Employer" means any entity who employs the paid or volunteer services of one or more persons.
- F. "Enclosed Area" means all space between a floor and ceiling which is enclosed on all sides by solid walls or windows (exclusive of door or passage ways) which extend from the floor to the ceiling, including all space therein screened by partitions which do not extend to the ceiling or are not solid, "office landscaping" or similar structures.
- G. "Grocery Store" means any supermarket, convenience store, and other retail food production and marketing establishments.
- H. "Non-Profit Entity" means any entity whose operations are not committed to private financial gain. A public agency is not a "non-profit entity" within the meaning of this section.
- I. "Place of Employment" means any enclosed area under the control of a public or private employer which employees normally frequent during the course of employment.
 - a. A private residence is not a "place of employment" unless it is used as a child care or

health care facility.

b. The dining area of a restaurant is not considered a "place of employment."

- J. "Public Place" means any enclosed area to which the public is invited or in which the public is permitted. A private residence is not a "public place."
- K. "Restaurant" means any establishment which is primarily devoted to the serving of food to the public, guests, patrons and employees as well as kitchens in which food is prepared on the premises for serving elsewhere, including catering facilities. The term "restaurant" shall not include a cocktail lounge or tavern if said cocktail lounge or tavern is a "bar" as defined in Section A above.
- L. "Retail Store" means any establishment that sells goods or services directly to members of the general public including but not limited to grocery stores, specialty stores, department stores, pharmacies, banks, automobile dealerships, showrooms, professional offices, service stations, repair or maintenance stores, barber or beauty shops, cleaners and laundromats.
- M. "Retail Tobacco Store" means a retail store utilized primarily for the sale of tobacco products and in which the sale of other products is merely incidental.
- N. "Smoking" means inhaling, exhaling, burning or carrying any lighted cigar, cigarette, pipe, plant or other smoking equipment in any manner or in any form.
- O. "Appropriate ventilation" means ventilation equipment sized and installed to produce sufficient negative air pressure to effectively move air from the smoking area to the outside as proven by a "smoke test." Heating and cooling systems shall have no functioning return air ducts in the smoking area.
- P. "Smoke test" is the visual detection of the movement of a column of smoke produced anywhere within the smoking area to the outside environment.

REGULATION OF SMOKING IN ENCLOSED PUBLIC PLACES

- A. Smoking shall be prohibited in all enclosed public places within Monongalia County, including, but not limited to the following places:
 - 1. Grocery Stores.
 - 2. Elevators.
 - 3. Restrooms.
 - 4. All means of public transit, including ticket, boarding, and waiting areas.
 - 5. Retail stores, except for areas in said stores not open to the public. Such areas must be provided with "appropriate ventilation" as set forth in letter O under Definitions.
 - 6. All waiting areas and lobbies in all business and non-profit entities.
 - 7. Restaurants, except that they may designate a contiguous area up to twenty percent (20%) of the seating capacity of the restaurant as a smoking area. Such areas must be provided with "appropriate ventilation" as set forth in letter O under Definitions.
 - 8. Every room, chamber, place of meeting or public assembly, including school buildings under the control of any board, council, commission, committee, including joint committees, or any political subdivision of the State during such time as a public meeting is in progress.
 - 9. All patient rooms, waiting rooms and other public areas in health facilities, including but not limited to hospitals, clinics, pharmacies, physical therapy facilities, doctor's offices and dentists' offices.
 - 10. Enclosed shopping malls.
 - 11. Restaurants constructed after the date of adoption of this Regulation, which permit smoking, shall provide a floor to ceiling physical barrier, and separate ventilation between smoking

and no smoking areas.

- B. No smoking areas shall be designed such that patrons would not be required to pass through smoking areas on a routine basis in order to patronize an establishment or to reach a no smoking area.
- C. Notwithstanding any other provision of this section, any person who controls any establishment or facility described in this section may declare that entire establishment or facility as no smoking.
- D. In any dispute arising under this Regulation, the health concerns of the nonsmoker shall be given precedence.

REGULATIONS OF SMOKING IN ENCLOSED PLACES OF EMPLOYMENT

- A. It shall be the responsibility of employers to provide smoke-free areas for no smoking employees within existing facilities to the maximum extent possible, but employers are not required to incur any expense to make structural or other physical modifications in providing these areas.
- B. No smoking areas shall be designated such that employees would not be required to pass through smoking areas on a routine basis in order to perform job duties or to reach a no smoking area.
- C. Each employer shall adopt, implement, make known and maintain a smoking policy which recognizes that where the need to breathe smoke-free air conflicts with the desire to smoke, the need to breathe smoke-free air shall have priority. The policy shall include at a minimum the following requirements:
 - 1. Any employee in a place of employment shall have the right to designate his or her work area as a no smoking area and to post the same with appropriate signs.
 - 2. In any dispute arising under the smoking policy, the health concerns of the nonsmoker shall be given precedence.
- D. The smoking policy shall be shared with any existing or prospective employee who requests it.
- E. Notwithstanding any other provision of this section, every employer shall have the right to designate any place of employment, or any portion thereof, as a no smoking area.

WHERE SMOKING NOT REGULATED

- A. Notwithstanding any other provisions of this Regulation to the contrary, the following areas shall not be subject to the smoking restrictions of this Regulation:
 - 1. Bars.
 - 2. Private residences, except when used as a child care or health care facility.
 - 3. Hotel and motel rooms rented to guests.
 - 4. Retail tobacco stores.
 - 5. The conference or meeting rooms or public and private assembly rooms of hotels, motels, and fraternal organizations while these places are being used for private functions.
 - 6. A private enclosed office work place occupied by only one person or occupied exclusively by smokers, even though such an office work place may be visited by nonsmokers. However, any employee has the right to designate his/her work area as no smoking, and smoking shall be prohibited in all public waiting areas and lobbies.

- B. Notwithstanding any other provision of this section, any person who controls any establishment described in this section may declare that entire establishment as a no smoking facility.

POSTING OF SIGNS

- A. Because rules regulating smoking are primarily self-enforcing, their success depends heavily upon adequate signage.
- B. "Smoking" or "No Smoking" signs, whichever are appropriate, shall be prominently posted in every building or other place where smoking is controlled by this Regulation, including restrooms and elevators, by the owner, operator, manager or other person having control of such building or other place.
- C. Every restaurant shall have posted at each entrance a prominent sign clearly stating that a no smoking section is available, and that smoking is allowed only in the designated smoking areas.

ENFORCEMENT

- A. Although smoking regulations are primarily self-regulating through social pressure, enforcement of this Regulation shall be the responsibility of the Monongalia County Health Department or its designee.
- B. Any owner, operator, manager or other person of any establishment regulated by this Regulation shall inform persons violating this Regulation of the appropriate provisions thereof.

NONRETALIATION

No person or employer shall discharge, refuse to hire or in any manner retaliate against any employee, applicant for employment or member of the public because such person exercises any rights afforded by this Regulation.

OTHER APPLICABLE LAWS

This Regulation shall not be interpreted or construed to permit smoking where it is otherwise restricted by other applicable laws, ordinances or regulations.

SEVERABILITY

If any portion of this Regulation or the application thereof shall be held invalid, the other provisions of this Regulation shall not be affected, and to this end the provisions of this Regulation are declared to be severable.

VIOLATIONS AND PENALTIES

- A. It shall be unlawful for any person to smoke in any area where smoking is prohibited by the provisions of this Regulation.
- B. It shall be unlawful for any person who controls the use of any premises subject to regulation under this Regulation to fail to comply with any of its provisions.
- C. Any person who violates any provision of this Regulation shall be guilty of an infraction.
 - 1. The first infraction shall result in a fine of two hundred fifty dollars (\$250).

2. A second or subsequent violations within a twelve-month period shall result in a fine of five hundred dollars (\$500).

EFFECTIVE DATE

This Regulation, as amended, shall become effective immediately upon its adoption. A grace period of one year from the date of adoption is granted for the installation of appropriate ventilation
