September is Adult Family Care Month

The West Virginia Department of Health and Human Resources, Bureau for Children and Families, Region IV Adult Family Care office will host an event on Sept. 9th at 11:00 am – 2:00 pm at Holly Gray Park in Flat Woods, WV to raise awareness about its Adult Family Care Program. Individuals or families who are interested in providing a home and family for an elderly or disabled adult are encouraged to attend this event to learn more about how to apply.

The adult family care program, administered by the DHHR, is designed to serve adults who because of physical, mental or emotional limitations are unable to live independently in their own home. The program offers elderly or disabled persons the support and security of living in a family setting.

Contact Wade Samples at (304)558-4685 for additional information about the awareness event. To learn more about the program, go online to http://www.wvdhhr.org/bcf/children_adult/ars/provider_afc.asp
