## TRAINING CALENDAR AND INFORMATION

### IMPORTANT TRAINING INFORMATION

All trainings begin promptly at the scheduled time. Please arrive before the session begins. If you miss 15 or more minutes during the course of any training session, you will not receive credit for that training.

If you are disruptive or prevent the Trainer from staying on task, you will be asked to leave and your Regulatory Specialist will be notified.

If you sign up for a training and do not call to cancel at least 24 hours in advance, your Regulatory Specialist will be notified. No cell phones or electronic devices may be used during the training sessions.

You may not bring children to any Link training session.

You must bring a picture ID to all trainings.

You are responsible for keeping your training certificates on file. All trainings we offer are registered with WV STARS.

You must register for training sessions at least 24 hours in advance.

### Family Child Care Providers

FCC Providers must complete eight hours of training in at least two different core competency areas (see box on right) each year according to the date on your individual certificate of registration.

## Descriptions of Training Sessions:

<b>Challenging Behaviors: Where Do We Begin?</b>	This training will discuss the meaning of "challenging behaviors" and ways to change our perspectives.
<b>Business of Family Child Care, The</b>	Providers will learn how to decrease business risks of family child care, how to track income, how to maximize profits, and how to create effective routines.
<b>Degree for Me? It's as easy as 1-2-3!</b> 	Have you ever thought about going back to school and earning a degree? T.E.A.C.H. WV is here to help! This two hour training will introduce you to the T.E.A.C.H. WV program and show you how you can be on your way to earning a degree in three easy steps. Come find out about the program's benefits and discover what T.E.A.C.H. WV can do for you.
<b>Food for Thought: Eating Well on a Budget</b> 	Healthy eating can give you the energy you need to juggle daily responsibilities with building strong relationships. Sesame Street has created this workshop to help you develop positive steps and strategies to keep children healthy while dealing with budget and/or time constraints.
<b>It Takes a Village</b> 	This training is designed to increase awareness of the impact of poverty on early childhood.
<b>Knock Out Bullying</b>	This training helps providers learn about the different types of bullying, how to identify a bully, and strategies and techniques to prevent bullying and resolve conflicts.
<b>Let's Talk About Biting</b>	Sally got bit again how am I going to tell her parents? What am I going to tell the parents of the child doing the biting? How can I get the biting to stop? Providers will explore strategies to answer these questions and create a calmer environment for the infants and toddlers in their care.
<b>Not in My Backyard: Drug Endangered Children</b>	Drug abuse has a significant impact on our youngest citizens. Caregivers will learn to recognize behaviors and symptoms of drug abuse; as well as how drug abuse affects the children in a drug endangered environment. Caregivers will recognize the ingredients of a methamphetamine lab and learn the environmental dangers these labs create.
<b>Take Note: Child Observation and Assessment</b>	Take Note: Child Observation & Assessment Participants will learn how to effectively record child observations. Various assessment methods will also be discussed
<b>There's a QUAIL in My Classroom</b> 	In this training, providers will learn to create environments that promote Quality care, utilize Understanding teachers, are Adaptive to meet individual needs, use Intentional teaching, and promote Learning.
<b>When Families Grieve</b> 	This workshop focuses on ways to support families and children during the death of a loved one.
