Lead Tap Monitoring Notification Certification

I, _____, _____, certify:
(Name) (Title)

- 1) The consumers were notified of their lead levels in the above Public Water System within 30 days of our receipt of the tap monitoring results.
- 2) The delivery method was by mail. *
- 3) A sample notice of what was delivered is enclosed with this certification.

(Signature)

(Address and Phone Number)

* If the delivery method was by some other means than mail, this should be indicated here. Another method must be pre-approved, in writing, by a representative of the WV Environmental Engineering Division.
