

Approved Well Driller (WD) and Pump Installer (PI) Continuing Education Hours as of November 3, 2009			
WD Number	Hours	Course Title	Sponsor
WD2009-001	1.00	Aquifer Storage Recovery	International School of Well Drilling
WD2009-002	2.00	Basic Geology and Groundwater	International School of Well Drilling
WD2009-003	2.00	Drilling Methods	International School of Well Drilling
WD2009-004	2.00	Geothermal Heating and Cooling Systems	International School of Well Drilling
WD2009-005	2.00	Injection Wells	International School of Well Drilling
WD2009-006	1.00	Well Abandonment	International School of Well Drilling
WD2009-007	1.00	Well Construction History	International School of Well Drilling
WD2009-008	1.00	Well Development	International School of Well Drilling
WD2009-009	2.00	Well Rehabilitation	International School of Well Drilling
WD2009-010	6.00	Water System Basics & Troubleshooting	Franklin Electric
WD2009-011	5.00	Maryland-Delaware Water Well Association Convention-- 2/12/2009	Maryland Board of Well Drillers
WD2009-012	5.00	Maryland-Delaware Water Well Association Convention-- 2/13/2009	Maryland Board of Well Drillers
WD2009-013	2.00	Outdoor Demo- Geoprobe	South Atlantic Well Drillers
WD2009-014	1.00	Geothermal Loop Installation	South Atlantic Well Drillers
WD2009-015	1.00	Understanding Your Well Problems	South Atlantic Well Drillers
WD2009-016	1.00	Solutions Using Variable Speed Features	South Atlantic Well Drillers
WD2009-017	1.00	Controlling Accidents and Operating Costs w/Risk Management	South Atlantic Well Drillers
WD2009-018	7.50	OSHA Refresher/HAZWOPER	South Atlantic Well Drillers
WD2009-019	1.00	A National Perspective on the Water Industry	South Atlantic Well Drillers
WD2009-020	1.00	Operations and Maintenance of a Drill Unit	South Atlantic Well Drillers
WD2009-022	1.50	Contract/No Contract	South Atlantic Well Drillers
WD2009-023	1.00	Transportation of Hazardous Materials	South Atlantic Well Drillers
WD2009-024	1.00	Soils as a Treatment Medium	South Atlantic Well Drillers
WD2009-025	1.00	Sonic Drilling: Technical Advantages	South Atlantic Well Drillers
WD2009-026	1.00	Water Softeners & Septic Systems: A Primer	South Atlantic Well Drillers
WD2009-027	1.50	Dissecting Water Chemistry & It's Impact on Water Technology	South Atlantic Well Drillers
WD2009-028	1.50	Boring Logs: What's Important & What's Not	South Atlantic Well Drillers
WD2009-029	2.00	We Don't Have Any Water: Troubleshooting Single Phase Pumps	South Atlantic Well Drillers
WD2009-030	1.00	Increasing Efficiency in Equipment Life	South Atlantic Well Drillers
WD2009-031	1.50	Free Public Relations for Your Business	South Atlantic Well Drillers

WD2009-032	1.50	Thriving in a soft Economy	South Atlantic Well Drillers
WD2009-033	1.00	Ground Source Heat Pumps - Environmental/Regulatory Issues	South Atlantic Well Drillers
WD2009-034	1.50	Basic Water Treatment	South Atlantic Well Drillers
WD2009-035	1.00	Drinking Water Treatment: Methods & Applications	South Atlantic Well Drillers
WD2009-036	1.00	Evaluation of Methods for Well Development	South Atlantic Well Drillers
WD2009-037	1.00	Preventable or Non Preventable	South Atlantic Well Drillers
WD2009-038	1.00	PE4710 - The New Standard for HDPE	South Atlantic Well Drillers
WD2009-039	1.00	Business for Well Drillers	South Atlantic Well Drillers
WD2009-043	8.00	VA Water Well Association Fall Meeting and Field Day/Demos	Virginia Water Well Association
PI2009-003	2.00	Drilling Methods	International School of Well Drilling
PI2009-004	2.00	Geothermal Heating and Cooling Systems	International School of Well Drilling
PI2009-005	2.00	Injection Wells	International School of Well Drilling
PI2009-006	1.00	Well Abandonment	International School of Well Drilling
PI2009-007	1.00	Well Construction History	International School of Well Drilling
PI2009-008	1.00	Well Development	International School of Well Drilling
