Dear Mr. _____:

Attached is a copy of the findings of fact and conclusions of law on your hearing held June 14, 2006. Your hearing request was based on the Department of Health and Human Resources' proposal to reduce the homemakers hours due to a Level of Care determination.

In arriving at a decision, the State Hearings Officer is governed by the Public Welfare Laws of West Virginia and the rules and regulations established by the Department of Health and Human Resources. These same laws and regulations are used in all cases to assure that all persons are treated alike.

Eligibility for the Aged and Disabled Waiver Services Program is based on current policy and regulations. Some of these regulations state as follows: Annual re-evaluations for medical necessity for each Waiver participant will be conducted. (Aged/Disabled Home and Community Based Services Manual § 580.2a RE-EVALUATIONS).

The information submitted at your hearing revealed that you will remain at a "C" level of care.

It is the decision of the State Hearings Officer to REVERSE the PROPOSAL of the Department to determine your correct Level of Care.

Sincerely,

Ray B. Woods, Jr., M.L.S.

DECISION OF THE STATE HEARING OFFICER

I. INTRODUCTION:

This is a report of the State Hearing Officer resulting from a fair hearing concluded on July 13, 2006 for Mr. _____. This hearing was held in accordance with the provisions found in the Common Chapters Manual, Chapter 700 of the West Virginia Department of Health and Human Resources. This fair hearing was scheduled for June 14, 2006 on a timely appeal filed February 24, 2006.

It should be noted here that the Claimant's benefits have been continued at the current "C" level of care pending a hearing decision. A pre-hearing conference was not held between the parties, and Mr. _____ did not have legal representation.

II. PROGRAM PURPOSE:

The Program entitled Aged and Disabled Waiver Services is set up cooperatively between the Federal and State governments and administered by the West Virginia Department of Health & Human Resources.

Under Section 2176 of the Omnibus Budget Reconciliation Act of 1981, states were allowed to request a waiver from the Health Care Financing Administration (HCFA) so that they could use Medicaid (Title XIX) funds for home and community-based services. The program's target population is individuals who would otherwise be placed in an intermediate or skilled nursing facility (if not for the waiver services). Services offered under the Waiver Program will include: (1) chore, (2) homemaker and (3) case management services. West Virginia has been offering the Waiver Services Program since July, 1982 to those financially eligible individuals who have been determined to need ICF level care but who have chosen the Waiver Program Services as opposed to being institutionalized.

VII. FINDINGS OF FACT:

- 1) This issue involves a proposed reduction in homemaker hours due to a Level of Care Determination. The PAS dated February 13, 2006 indicates _____'s homemaker hours should be reduced from a Level "C" (124 hours per

month) to a Level "B" (93 hours per month). Those present during the assessment were Mr. _____ and Ms. Angie Hill, RN.

The Department issued a Notice of Decision (Exhibit D-3) to _____ on February 16, 2006. The letter stated in part, "The number of homemaker service hours approved is based on your medical needs, and cannot exceed 93 hours per month." Mr. _____ requested a fair hearing. The request was received by the Bureau for Medical Services on February 24, 2006 (Exhibit D- 4).

2) Mr. Brian Holstein, LSW reviewed the Level of Care policy (Exhibit D-1). There were no questions for Mr. Holstein.

3) Ms. _____ RN reviewed the Pre-Admission Screening (PAS) form dated February 13, 2006 (Exhibit D-2)

4) The areas of dispute were with Questions #23 (f) Dysphagia and (h) Pain; Question #25 (c) Dressing; (e) Bladder Incontinence (h) Transferring and; (j) Wheeling (Situational Assistance).

5) The testimony supports additional points in the areas of Dysphagia, Dressing, and Wheeling. **Dysphagia** – Mr. _____ has problems swallowing. According to Ms. _____ testimony, a swallowing study was not submitted for review. There was no policy presented during the hearing that required the need for a swallowing study. **Dressing** – Mr. _____ testified that he requires assistance with his shirts in addition to socks and shoes. **Wheeling** - Mr. _____ and Ms. _____ both testified of the difficulty in getting the wheelchair through certain doorways in the home. Additional points were awarded as follows: One point for Dysphagia; one point for Dressing; and two points for Wheeling (Situational Assistance). The additional points will increase the overall number from 15 to 19. Mr. _____ will remain at a "C" Level of Care.

**6) Aged/Disabled Home and Community Based Services Manual § 503
SERVICE OPTIONS LIMITATIONS:**

Medical Adult Day Care is an optional service. Case Management is also an optional service, as a client may choose Consumer-Directed Case Management instead. Homemaker is not an optional service. A client in the ADW Program must receive homemaker services to remain eligible for the program. Homemaker services are limited to a maximum number of hours that are determined by the client's Level of Care (LOC). The notification of medical eligibility from the Quality Improvement Organization (QIO) will specify the maximum hours of service a client may receive in a month. If it is believed that the client's LOC has changed, the Homemaker RN submits a request for a change of level of care to Bureau for Medical Services.
