July 15, 2011

Dear -----:

Attached is a copy of the Findings of Fact and Conclusions of Law on your hearing held July 14, 2011. Your hearing request was based on the Department of Health and Human Resources' proposal to reduce your homemaker service hours under the Aged/Disabled (HCB) Title XIX Waiver Services Program.

In arriving at a decision, the State Hearing Officer is governed by the Public Welfare Laws of West Virginia and the rules and regulations established by the Department of Health and Human Resources. These same laws and regulations are used in all cases to assure that all persons are treated alike.

Eligibility for the Aged/Disabled Waiver Program is based on current policy and regulations. One of these regulations specifies that for the Aged/Disabled Waiver Program, the number of homemaker service hours is determined based on the Level of Care (LOC). The Level of Care is determined by evaluating the Pre-Admission Screening Form (PAS) and assigning points to documented medical conditions that require nursing services. Program services are limited to a maximum number of units/hours which is reviewed and approved by WVM. (Aged/Disabled Home and Community-Based Services Waiver Policy and Procedures Manual 501.3)

Information submitted at your hearing reveals that you continue to require the degree of care and services necessary to qualify medically for the Aged/Disabled Waiver Program and your documented medical conditions confirm that your Level of Care should be a Level "B" rating. As a result, you are eligible to receive three (3) hours per day or 93 hours per month of homemaker services.

It is the decision of the State Hearing Officer to **uphold** the proposal of the Department to decrease your Level of Care under the Aged/Disabled Waiver Program.

Sincerely,

Pamela L. Hinzman
State Hearing Officer

IN RE: -----,

Claimant,

v.

Action Number: 11-BOR-1250

**WEST VIRGINIA DEPARTMENT OF
HEALTH AND HUMAN RESOURCES,**

Respondent.

DECISION OF STATE HEARING OFFICER

I. INTRODUCTION:

This is a report of the State Hearing Officer resulting from a fair hearing for ----- . This hearing was held in accordance with the provisions found in the Common Chapters Manual, Chapter 700 of the West Virginia Department of Health and Human Resources. This fair hearing was convened telephonically on July 14, 2011 on a timely appeal filed May 12, 2011 and received by the Hearing Officer on June 7, 2011.

It should be noted that the Claimant's benefits have continued pending a hearing decision.

II. PROGRAM PURPOSE:

Under Section 2176 of the Omnibus Budget Reconciliation Act of 1981, states were allowed to request a waiver from the Health Care Financing Administration (HCFA) so that they could use Medicaid (Title XIX) funds for home and community-based services. The program's target population is individuals who would otherwise be placed in an intermediate or skilled nursing facility (if not for the waiver services). Services offered under the Waiver Program will include: (1) chore, (2) homemaker and (3) case management services. West Virginia has been offering the Waiver Services Program since July, 1982 to those financially eligible individuals who have been determined to need ICF level care but who have chosen the Waiver Program services as opposed to being institutionalized.

III. PARTICIPANTS:

-----, Claimant
-----, Case Manager, [REDACTED]
Kay Ikerd, RN, Bureau of Senior Services
Lee Ann Beihl, RN, West Virginia Medical Institute

Presiding at the hearing was Pamela L. Hinzman, State Hearing Officer and a member of the State Board of Review.

IV. QUESTION TO BE DECIDED:

The question to be decided is whether the Agency was correct in its proposal to reduce the Claimant's homemaker service hours under the Aged/Disabled Waiver (HCB) Program.

V. APPLICABLE POLICY:

Aged/Disabled Home and Community-Based Services Manual Sections 501.3.2.1 and 501.3.2.2

VI. LISTING OF DOCUMENTARY EVIDENCE ADMITTED:

Department's Exhibits:

- D-1 Aged/Disabled Home and Community-Based Services Manual Sections 501.3.2.1 and 501.3.2.2
- D-2 Pre-Admission Screening (PAS) assessment completed on April 26, 2011
- D-3 Notice of Decision dated May 2, 2011

VII. FINDINGS OF FACT:

- 1) The Claimant, a recipient of Aged/Disabled Waiver (ADW) Medicaid benefits, underwent an annual reevaluation to verify continued medical eligibility for the program.
- 2) West Virginia Medical Institute (WVMI) Registered Nurse Lee Ann Beihl completed a Pre-Admission Screening (PAS) medical assessment (D-2) on April 26, 2011 and determined that the Claimant continues to meet the medical eligibility criteria. The Claimant was assigned 16 points to documented medical conditions that require nursing services and meets the criteria necessary to qualify as a Level of Care "B" - eligible for three (3) hours per day or 93 hours per month of homemaker services. It should be noted that the Claimant previously qualified for a Level of Care "C"- eligible for four (4) hours per day or 124 hours per month of homemaker services.

- 3) The Claimant was sent notification on May 2, 2011 (D-3) advising her of the proposed reduction in homemaker service hours.
- 4) ----, Case Manager with [REDACTED] contended that the Claimant should be rated as Level 3 (one-person assistance) in regard to transferring and walking. The Claimant's transferring/walking functional abilities had been designated as Level 2 (supervised/assistive device) on the PAS based on the WVMI Nurse's assessment on the evaluation date.

----testified that the Claimant has frequent falls and has no furniture to hold onto when walking from her bedroom to her bathroom. The Claimant has difficulty maneuvering her walker and has tripped while using the walker. The Claimant indicated that her condition has worsened, that she cannot maneuver with her walker, and that she has no depth perception. She also indicated that she is taking pain medication for a broken shoulder and stays in bed all day.

The WVMI Nurse testified that the Claimant transferred/walked by holding onto furniture and the wall on the date of the assessment. She stated that the Claimant did not use her walker during the evaluation. The nurse indicated, however, that the Claimant has poor balance, an unsteady gait and a history of falls. The Claimant reportedly told the nurse she needed no physical assistance with transferring and walking, therefore, she was rated as Level 2 in those areas of functionality.

Bureau of Senior Services Registered Nurse Kay Ikerd stated that the Claimant's Homemaker-Registered Nurse can request an increase in Level of Care if the Claimant's condition has worsened since the time of the PAS.

- 5) Aged/Disabled Home and Community-Based Services Waiver Policy Manual Sections 501.3.2.1 and 501.3.2.2 (D-1): There will be four levels of care for clients of ADW homemaker services. Points will be determined based on the following sections of the PAS:

- #23- Medical Conditions/Symptoms- 1 point for each (can have total of 12 points)
- #24- Decubitis- 1 point
- #25- 1 point for b., c., or d.
- #26 Functional abilities
 - Level 1- 0 points
 - Level 2- 1 point for each item a. through i.
 - Level 3- 2 points for each item a. through m.; i. (walking) must be equal to or greater than Level 3 before points are given for j. (wheeling)
 - Level 4 - 1 point for a., 1 point for e., 1 point for f., 2 points for g. through m.
- #27 Professional and Technical Care Needs- 1 point for continuous oxygen
- #28 Medication Administration- 1 point for b. or c.
- #34- Dementia- 1 point if Alzheimer's or other dementia
- #34- Prognosis- 1 point if terminal

The total number of points allowable is 44.

LEVELS OF CARE SERVICE LIMITS

Level A- 5 points to 9 points- 2 hours per day or 62 hours per month

Level B- 10 points to 17 points- 3 hours per day or 93 hours per month

Level C- 18 points to 25 points- 4 hours per day or 124 hours per month

Level D- 26 points to 44 points- 5 hours per day or 155 hours per month

VIII. CONCLUSIONS OF LAW:

- 1) Policy dictates that an individual's Level of Care for the Aged/Disabled Waiver Program is determined by the number of points obtained on the PAS assessment tool.
- 2) The Claimant was awarded 16 points as the result of a PAS completed by WVMI in April 2011 in conjunction with her annual medical evaluation.
- 3) As a result of information presented during the hearing, no additional points are awarded to the Claimant. The Claimant and her representative contended that the Claimant requires one-person assistance with transferring and walking, however, she transferred/ambulated unassisted on the date of the assessment and denied a need for physical assistance at that time.
- 4) The Claimant's total number of points remains at 16, rendering her eligible to receive a Level "B" Level of Care.

IX. DECISION:

It is the decision of the State Hearing Officer to **uphold** the Agency's proposal to reduce the Claimant's homemaker service hours under the Aged/Disabled, Title XIX (HCB) Waiver Program.
