Dear Ms. _____:

Attached is a copy of the findings of fact and conclusions of law on your hearing held August 19, 2008. Your hearing request was based on the Department of Health and Human Resources' proposal to terminate your benefits under the Aged/Disabled (HCB) Title XIX Waiver Services Program.

In arriving at a decision, the State Hearing Officer is governed by the Public Welfare Laws of West Virginia and the rules and regulations established by the Department of Health and Human Resources. These same laws and regulations are used in all cases to assure that all persons are treated alike.

Eligibility for the Aged/Disabled Waiver Program is based on current policy and regulations. Some of these regulations state as follows: The Aged/Disabled (HCB) Title XIX Waiver Services Program is granted to those individuals who meet all eligibility requirements. One of these requirements is that the individual must qualify medically. Eligible individuals are those who qualify medically for a nursing facility level of care but have chosen the waiver program as a means to remain in their home where services can be provided. [Aged/Disabled (HCB) Services Manual Section 503]

Information submitted at your hearing reveals that you do not meet medical eligibility requirements for the Aged/Disabled Waiver Program.

It is the decision of the State Hearing Officer to **uphold** the proposal of the Department to terminate your benefits and services under the Aged/Disabled Waiver Program.

Sincerely,

Pamela L. Hinzman
State Hearing Officer

DECISION OF STATE HEARING OFFICER

I. INTRODUCTION:

This is a report of the State Hearing Officer resulting from a fair hearing concluded on August 21, 2008 for _____. This hearing was held in accordance with the provisions found in the Common Chapters Manual, Chapter 700 of the West Virginia Department of Health and Human Resources. This fair hearing was convened on August 19, 2008 on a timely appeal filed March 27, 2008 and received by the Hearing Officer on April 16, 2008. The hearing was originally scheduled for June 17, 2008, but was rescheduled at the request of the Claimant.

II. PROGRAM PURPOSE:

The program entitled Aged/Disabled Waiver is set up cooperatively between the Federal and State governments and administered by the West Virginia Department of Health & Human Resources.

Under Section 2176 of the Omnibus Budget Reconciliation Act of 1981, states were allowed to request a waiver from the Health Care Financing Administration (HCFA) so that they could use Medicaid (Title XIX) funds for home and community-based services. The program's target population is individuals who would otherwise be placed in an intermediate or skilled nursing facility (if not for the waiver services). Services offered under the Waiver Program will include: (1) chore, (2) homemaker and (3) case management services. West Virginia has been offering the Waiver Services Program since July, 1982 to those financially eligible individuals who have been determined to need ICF level care but who have chosen the Waiver Program services as opposed to being institutionalized.

IV. QUESTIONS TO BE DECIDED:

The question(s) to be decided is whether the Agency was correct in its proposal to terminate benefits under the Aged/Disabled Home and Community-Based Waiver Program.

V. APPLICABLE POLICY:

Aged/Disabled Home and Community-Based Services Manual Sections 503, 503.1, 503.1.1 and 503.2

VI. LISTING OF DOCUMENTARY EVIDENCE ADMITTED:

Department's Exhibits:

- D-1 Aged/Disabled Home and Community-Based Services Manual Section 503
- D-2 Pre-Admission Screening (PAS) completed on February 26, 2008
- D-3 Notice of Potential Denial dated February 28, 2008
- D-4 Denial notice dated March 19, 2008

VII. FINDINGS OF FACT:

- 1) The Claimant is a recipient of benefits under the Aged/Disabled Waiver Program and underwent an annual medical reevaluation to determine if she continues to meet medical eligibility criteria for the program.
- 2) The West Virginia Medical Institute (WVMI) Nurse completed a Pre-Admission Screening (PAS) medical assessment on February 26, 2008 (D-2) and determined that the Claimant does not meet medical eligibility criteria for the program. The nurse identified three (3) qualifying deficits for the Claimant in the areas of physical assistance with bathing and grooming, and inability to vacate the building in the event of an emergency.
- 3) The Claimant was sent a Notice of Potential Denial on February 28, 2008 (D-3) and was advised that she had two weeks to submit additional medical information for consideration. Additional information was submitted and, as a result, one (1) additional deficit was awarded to the Claimant for requiring physical assistance with eating. This brought the Claimant's total number of deficits to four (4).
- 4) The Claimant was sent a final denial notice on March 19, 2008 (D-4).

5) The Claimant and her witnesses did not contest the PAS findings. The Claimant and her witnesses did note, however, that the Claimant had suffered from back problems after the assessment date. She required temporary assistance with transfers during that time. No transferring problems, however, were noted on the date the PAS was completed. The Claimant's care provider testified that she places the Claimant's pill bottles in separate morning and evening bags, however, the Claimant is able to take her medication once the bottles have been sorted. A deficit cannot be awarded for prompting/supervision in medication administration.

6) Aged/Disabled Home and Community-Based Services Manual Section 503 (D-1)- Program Eligibility for Client:

Applicants for the ADW Program must meet the following criteria to be eligible for the program:

C. Be approved as medically eligible for NF Level of Care.

7) Aged/Disabled Home and Community-Based Services Manual Section 503.1.1 (D-1) – Purpose: The purpose of the medical eligibility review is to ensure the following:

A. New applicants and existing clients are medically eligible based on current and accurate evaluations.

B. Each applicant/client determined to be medically eligible for A/DW services receives an appropriate LOC that reflects current/actual medical condition and short and long-term services needs.

C. The medical eligibility determination process is fair, equitable and consistently applied throughout the state.

8) Aged/Disabled Home and Community-Based Services Waiver Policy Manual 503.2 (D-1): An individual must have five (5) deficits on the Pre Admission Screening (PAS) to qualify medically for the ADW Program. These deficits are derived from a combination of the following assessment elements on the PAS.

#24 Decubitus - Stage 3 or 4

#25 In the event of an emergency, the individual is c) mentally unable or d) physically unable to vacate a building. a) Independently and b) With Supervision are not considered deficits.

#27 Individual has skilled needs in one or more of these areas B (g)suctioning, (h)tracheostomy, (i)ventilator, (k)parenteral fluids, (l)sterile dressings, or (m) irrigations.

#28 Individual is not capable of administering his/her own medications.

VIII. CONCLUSIONS OF LAW:

- 1) Policy dictates that an individual must receive five (5) deficits on the PAS assessment in order to qualify medically for the Aged/Disabled Waiver Program. The Claimant was awarded four (4) deficits on her February 2008 Aged/Disabled Waiver Program medical reevaluation.
- 2) The Claimant and her witnesses did not contest the PAS findings and no additional deficits can be awarded as a result of the hearing.
- 3) The required deficits have not been established to meet medical eligibility criteria for the Aged/Disabled Waiver Program.

IX. DECISION:

It is the decision of the State Hearing Officer to **uphold** the Agency's proposal to deny the Claimant's medical eligibility under the Aged/Disabled, Title XIX (HCB) Waiver Program.
