Dear Mr. _____:

Attached is a copy of the findings of fact and conclusions of law on your hearing held October 18, 2005. Your hearing request was based on the Department of Health and Human Resources' proposal to terminate your SSI Medicaid benefits.

In arriving at a decision, the State Hearing Officer is governed by the Public Welfare Laws of West Virginia and the rules and regulations established by the Department of Health and Human Resources. These same laws and regulations are used in all cases to assure that all persons are treated alike.

Eligibility for the SSI Medicaid Program is based on current policy and regulations. Some of these regulations state as follows: Receipt of SSI is the only eligibility factor. (Section 9.10 of the West Virginia Income Maintenance Manual).

The information which was submitted at your hearing revealed that you are no longer a recipient of SSI.

It is the decision of the State Hearing Officer to uphold the proposal of the Department to terminate your benefits under the SSI Medicaid Program.

Sincerely,

Margaret M. Mann
State Hearing Officer
Member, State Board of Review

BOARD OF REVIEW**

_____,

Claimant,

v.

Action Number: 05-BOR-6132

**West Virginia Department of
Health and Human Resources,**

Respondent.

DECISION OF STATE HEARING OFFICER

I. INTRODUCTION:

This is a report of the State Hearing Officer resulting from a fair hearing concluded on October 18, 2005 for _____. This hearing was held in accordance with the provisions found in the Common Chapters Manual, Chapter 700 of the West Virginia Department of Health and Human Resources. This fair hearing was convened on October 18, 2005 on a timely appeal, filed June 27, 2005.

It should be noted here that the claimant's benefits have been continued pending a hearing decision.

II. PROGRAM PURPOSE:

The Program entitled SSI Medicaid is set up cooperatively between the Federal and State governments and administered by the West Virginia Department of Health & Human Resources.

The amendment to the Social Security Act which established SSI and subsequent rules and regulations gave the states the same options regarding Medicaid coverage for SSI recipients. West Virginia elected to cover all SSI recipients and to accept SSA's determination process for SSI Medicaid. Consequently there is no application or eligibility determination process for SSI Medicaid. Instead the Department depends upon SSA for the information needed to open and close SSI Medicaid cases.

III. PARTICIPANTS:

_____, Mother of _____, Claimant's Representative
Gayla Adkins, Department Hearing Representative

Presiding at the Hearing was Margaret M. Mann, State Hearing Officer and a member of the State Board of Review.

IV. QUESTIONS TO BE DECIDED:

The question to be decided is whether the Department is correct in the decision to discontinue the claimant's medical card under SSI Medicaid as the claimant is no longer a recipient of SSI.

5) **Section 9.10 of the West Virginia Income Maintenance Manual reads in part:**

Receipt of SSI is the only eligibility factor for SSI Medicaid.

6) **Section 16.6A of the West Virginia Income Maintenance Manual reads in part:**
