## NOVEMBER MEETING

Date: Wednesday, November 25, 2009

Location: Belmont Co. 911 Building  
St. Clairsville, OH 43950

Host: Marietta City Health Department

### AGENDA

9:00-9:30 Business Meeting  
9:30-11:30 Home Canning

Polly Loy, Extension Educator, Family and Consumer Sciences,  
OSU Extension, Belmont Co.

11:30-12:30 Lunch on your own

1:00-3:00 Tour of Licensed Home Canning Operation  
Connie Morris, Connie's Confections

Directions to home canning operation: Meet at Rt. 9 exit off I-70 at 12:30 if you like to follow someone. There is a large church (Harbor of Hope) just south of the interstate and we can probably park in their lot to share rides.

We can take Rt. 9 to Centerville and over to Jacobsburg on 147 or take Rt. 9 to Rt. 5 which goes through Glencoe for a more direct route to Jacobsburg. Either way, DON'T turn off Rt. 147 at Ramsey Ridge Road to turn into Jacobsburg proper, but continue on Rt. 147 past Toothman's funeral home on the right and go 50 ft to Sheba Rd. on the right—very sharp right turn.

Connie's house is 8 tenths of a mile on Sheba Rd. – large, blue, two story house—2nd blue house on the road. Kitchen building is located between the barn and house.

For more information, call Jerry Gulley, RS, Marietta City Health Dept.  
at (740) 373-0611 Ext. 103 or Kelly Miller, RS. At Ext. 104

Applies for 4 CEU's
