Dear Sir/Madam:

On behalf of the South Carolina Environmental Health Association, I would like to extend an invitation to participate as a sponsor and display your products and/or services at the 64th Annual Interstate Environmental Health Seminar. This meeting is scheduled for July 21 – 23, 2010, at the Marina Inn at Grand Dunes, in Myrtle Beach, South Carolina. www.MarinaInnatGrandeDunes.com.

Participation in this conference is a great way to reach environmental health professionals from the eight-state region represented by the Interstate group: Alabama, Georgia, Kentucky, Maryland, North Carolina, South Carolina, Tennessee, and West Virginia. In addition to breaks in the exhibit area and foot traffic through the exhibit area to the meeting, this year's seminar will provide you with the opportunity to address all the attendees during our breakout sessions. We hope to have over 100 environmental health professionals from all levels – management to front line staff – in attendance. To view the draft agenda and other conference information, please visit <http://www.wvdhhr.org/wvas/IEHS/index.asp>

Exhibit spaces are available on a first come – first served basis; we can accommodate as many as thirty (30) exhibits, so you'll want to reserve your space early. Exhibits will be set up in the foyer of the meeting area, and are to be set up on Wednesday morning and taken down on Friday morning after the last break. We have a range of support levels available, and we hope to have participation at every level. A table of levels and benefits is on the next page. All levels of support include at least one ticket to the Wednesday night outing with the Myrtle Beach Pelicans baseball team. Please complete the attached form and return it, a copy of your black and white ad, and your check made payable to SCEHA, to me at the address given. Completed forms, checks, and ads should be submitted *no later than May 15, 2010*. If you have any questions, please call me at 803-896-0655 (office) or 803-360-1102 (cell), or send me an e-mail at tannerml@dhec.sc.gov. I look forward to working with you to make this IEHS and your experience there the best that it can be.
