I certify and declare under penalty of perjury that the figure listed above is reflective of my **total annual gross income**.

If I qualify I **will be responsible for paying the total costs associated with my hearing care**. Depending on the hearing aid recommended by my AUDIENT hearing care provider the cost for one hearing aid and related care is in the range of $495 to $975, the cost for two hearing aids and related care when ordered at the same time is in the range of $990 to $1,575. * This cost covers the AUDIENT hearing care provider fitting fee, three adjustments during the first year, fully digital hearing aid(s), and a one year limited manufacturer’s warranty. **Batteries not included. No warranty on ear molds.** The cost is based on the hearing aid(s) suitable to my hearing needs as recommended by my AUDIENT hearing care provider. Office visits in excess may incur a charge collected directly by the provider. The one year limited hearing aid manufacturer’s warranty covers repairs, and one time loss or damage. The payment of a $200 processing fee for each replacement hearing aid will be my responsibility*. I agree to be responsible for any provider related expenses pertaining to dispensing the replacement hearing aid(s). Those expenses will be billed directly to me by the provider. I understand that the fees are subject to change without advanced notice.

Hearing aids returned because they did not benefit my hearing loss can be refunded if returned to my AUDIENT Hearing Care Provider in good condition before the end of the 30-day trial period. **PLEASE NOTE:** In the case of purchasing two hearing aids at the same time, and returning only one of the them to the AUDIENT Hearing Care Provider in good condition before the end of the 30-day trial period, the amount that will be refunded to me or the party that paid for the hearing aid(s), will be the difference between the cost of purchasing one hearing aid at a time rather than half the cost of two hearing aids purchased at the same time.

I understand that EPIC Hearing Healthcare is a third party administrator for the AUDIENT provider partners.
