Coordinator

Dear Vendor:

Come join us for the celebration of our 35th Anniversary of the West Virginia Women's Commission at the Women's Day at the Legislature on Monday, February 6 – Tuesday, February 7, 2012 with Commissioners Stacy North and Kameron Miller co-chairing the event.

The first day of workshops will be held at the Embassy Suites with a Legislative reception at the end of the day. The second day will be a breakfast at the Cultural Center with workshops following as well as visiting with the Legislators and a visit to the Governor's Mansion.

Another great event is the WV Women's Commission joining with the **Girl Scouts of Black Diamond Council, Inc in Charleston**, who are celebrating their 100th anniversary to produce a panel discussion that will be geared to "girls waiting to be women" as well as the women across the state.

There will be a panel on elder care and how it relates to the caregivers and their families, the cost of elder care, the laws surrounding elder care and benefits for elder care.

Other workshops will be presented on certification for small businesses, the importance of women running for office, how to become involved at all levels, advocating for equal pay and other great topics.

We will have a panel discussion by the Girl Scout leaders, the Girl Scouts and various community leaders on what is important to the younger community as well as what their needs are.

Set-up time for the vendors will be 7am-8am at the Embassy Suites for the first day and 7am-8am at the Cultural Center.

We are looking forward to hearing from you. Please review the registration and return by January 15, 2012. After registering you will receive a packet for the event.

See you there!
