

5

Reasons

To Work with a Mentor

1

Families.

A mentor will help you gain a broader understanding of the Mission and Key Principles and service provision within WV Birth to Three

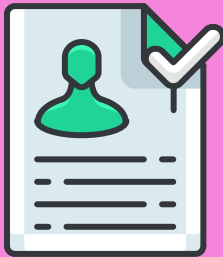

2

Understanding.

A mentor will guide understanding of the Individualized Service Plan (IFSP) process

3

Resources.

Your mentor will answer questions and direct you to resources

4

Information.

A mentor will help you to problem solve challenging situations surrounding the support of infants, toddlers and families in natural environments.

5

Reflection.

Working with a mentor will help you to reflect upon your personal values and beliefs and how they may impact your practice
